

Harlee

Dear Friends,

I want to thank you for your generosity and kindness that you show to our school.

I'm learning about tornadoes in Reading Class. In Math class I'm learning about fractions and what they equal.

I like going outside in the winter time to go sledding.

I also like to open up presents at Christmas time and on my birthday.

My favorite sports teams are: Oklahoma City Thunder, Golden State Warriors, and the Boston Celtics.

Thank you for your support!!!

Sincerely,
Kant
