

I am thankful that I  
go to St. Joseph's of  
St. Louis

Latasha

Dear Friend,

Hi my name is Daisy, I'm from Rapid City, SD I take personal living skills at St. Joseph Indian school.

In personal living skills, we learn how to cook, make blankets etc.

We also learn how to follow a recipes with the right cups. For later on in life use's. My favorite activity is cooking in the lab, so that when I go home I could make my family a meal.

Sincerely,  
Daisy
