Thank you for considering St. Joseph’s Indian School. St. Joseph’s provides a wide range of services that include education, counseling, family group living, and spiritual growth opportunities. We are accredited by the State of South Dakota and by the Council on Accreditation.

The mission of St. Joseph’s is to provide a supporting and nurturing environment that will help meet the child’s needs at this time in their life. The child’s culture and heritage are respected and our services and activities are sensitive to Native American values.

At St. Joseph’s children are given opportunities to experience success. We believe in each child and have high expectations for academic achievement and expect hard work in school studies. As well, we expect each student to contribute to the family-like atmosphere in the homes. Our experience has shown that students feel much better about themselves when they achieve well in school and make positive contributions in the home. Appropriate expectations help children gain self-confidence and grow in their abilities.

If you feel St. Joseph’s Indian School would benefit your child, please complete this Application for Enrollment. There is an ongoing waiting list for admission, and unfortunately, not all who apply can be admitted. When an opening becomes available, a team of staff members reviews all prospective applicants. You will be notified as to the status of your application. Again, thank you for your interest in St. Joseph’s Indian School.

Mission Statement

St. Joseph’s Indian School, an apostolate of the Congregation of the Priests of the Sacred Heart, partners with Native American children and families to educate for life – mind, body, heart and spirit.
Thank you for your interest in St. Joseph's Indian School. Admission to SJIS is based on the number of spaces available in the classrooms and in the homes by grade level and by gender. Consideration is given to the applicant's academic abilities, character, and the contribution made to his/her previous school communities.
